

Your Factory Direct Advantage from Rittenhouse means better prices, top quality sprayers, and great shipping rates.

We ship directly from our factory to you with no middle man, dealer, or catalog commissions.

Rittenhouse has been manufacturing sprayers for over 100 years. Our sprayers are the most copied designs in the industry – we take that as a compliment.

- Made of high quality components
- Easy to service
- Delivered fully assembled
- Usually shipped within 2 days

By shipping hundreds of sprayers directly to our customers every year, we have been able to negotiate the best shipping rates possible, which we pass on to you. You can also add extras to your order without incurring extra shipping charges.

All of this is backed up by our amazing telephone support staff, most of whom have actual factory experience building sprayers themselves.

Compare – You will see the difference.
