

# VINYLGUARD SHRINK-WRAP BUNKER RAKE LABELS

Apply in Just Seconds With a Heat Gun...  
They Will Last for Years!

## DOES THE RAKE GO INSIDE OR OUTSIDE THE BUNKER?

Remind golfers of your club's policy with these attractive, extremely durable, easy-to-clean, easy-to-read labels

- No need to continuously replace worn, torn, dirty decals that peel and leave glue stains on your rake handles
- Message is printed on both sides of the label to be visible whether the rake head is placed up or down
- Made from the same green and yellow VinylGuard material for bunker rakes and will not fade, crack or peel over time

## HOW TO SHRINK

- Slide the label over the rake handle and place it where you wish it to remain
- Hold the heat gun 3" to 4" away from the material to prevent burning
- Move the heat gun back and forth and rotate the handle to heat all sides of the label
- Do not apply heat directly to the crease
- The vinyl will quickly shrink and will not loosen over time

## SPECIFY YOUR MESSAGE

Part Number **LI-1000** LEAVE RAKE INSIDE BUNKER

Part Number **LO-1000** LEAVE RAKE OUTSIDE BUNKER

## CHOOSE YOUR COLORS

Hunter Green Vinyl with White Printing

Yellow Vinyl with Black Printing
